(7) The concerned area MLA would be special invitees to the meetings of the Biodiversity Management Committees at different levels.

(8) A technical support group comprising of experts in the field of biodiversity drawn from government agencies, NGOs, academia, community and individuals will be established by Village Council. The expert groups shall lend support to Biodiversity Management Committees.

(9) The key mandate of the Biodiversity Management Committees will be to ensure conservation, sustainable utilization and equitable sharing of benefits from the biodiversity. The Biodiversity Management Committees shall facilitate preparation of People’s Biodiversity Registers. The Register shall contain comprehensive information on availability and knowledge of local biological resources, their medicinal or any other use or any other traditional knowledge associated with them. The Village Biodiversity Management Committee shall be responsible for developing a district wide network of People’s Biodiversity Register database. The People’s Biodiversity Register shall be prepared at the Village Biodiversity Management Committee level by using the process and the format set by the Board. The Biodiversity Management Committees and local bodies will be responsible for ensuring the protection of the knowledge documented in the PBRs, especially to regulate its access to outside agencies and individuals.

(10) The concerned local body shall provide the members of the Biodiversity Management Committee with Photo Identification Cards.

(11) Notwithstanding anything contained in any other law, for the time being in force, if the Board or any officer authorized by it or the Biodiversity Management Committee has reasonable grounds for believing that an offence or contravention under the Act has been committed:

(i) Require any such person to produce for inspection biological resources in his control, custody or possession, or any license, permit or any other document granted to him or required to be kept by him under the provisions of the Act;

(ii) Stop any vehicle or vessel in order to conduct search or inquiry or enter upon and search any premises, land, vehicle, or vessel in the occupation of such person, and open and search any baggage or other things in his possession including various analog or digital data storage devices like computers, cameras, video cameras, digital cameras and their accessories;

(iii) Stop and detain any person, whom he sees doing any act for which a license or permit is required under the provisions of the Act. If such person fails to produce the license or permit, then inform the Village Biodiversity Management Committee and the Member Secretary of the Board and hand over the case to the forest officer having
jurisdiction over the biological resource concerned in respect of which the offence has been committed.

(iv) Seize any scheduled biological resource or derivative thereof in respect of which an offence against the Act appears to have been committed together with any tool, vehicle, vessel, or weapon used for committing any such offence and inform the Village Biodiversity Management Committee and the Member Secretary of the Board and hand over the case to the forest officer having jurisdiction over the biological resource concerned in respect of which the offence has been committed.

(v) The forest officer may give the seized biological resource for safe custody on the execution by any person of a bond for the production of the same if and when so required, before the court of law to try the offence on account of which the seizure has been made.

(vi) Any person detained, or things seized under the foregoing power, shall forthwith be taken before the court of law to be dealt with according to law.

(vii) Any person who, without reasonable cause fails to produce anything, which is required to produce under this section, shall be guilty of an offence under the Act.

(12) No suit, prosecution or other legal proceedings shall lie against the members of the Biodiversity Management Committee or the forest officer for anything which is in good faith done or intended to be done under the Act or the rules or regulations made thereunder.

(13) The other functions of the Biodiversity Management Committees are to advise on any matter referred to it by the State Biodiversity Board or Authority for granting approval, to maintain data about the traditional health practitioners and other users of biological resources or as may be prescribed by the state government.

(14) The Village Council Biodiversity Management Committee will serve as a supervisory agency for the overall functioning of Biodiversity Management Committees in the district.

(15) The Village Biodiversity Management Committees shall strive to mainstream biodiversity conservation concerns in the developmental planning at the local level.

(16) The Board shall provide guidance and technical support to the Biodiversity Management Committees for preparing People’s Biodiversity Registers, and shall ensure that all information recorded in such Registers receives legal protection against misuse and appropriation by outside agencies and individuals.

(17) The Committee shall also maintain a Register giving information about the details of the access to biological resources and traditional knowledge granted, details of the collection fee imposed and details of the benefits derived and the mode of their sharing.
The Biodiversity Management Committee at Village Council level may decide on the terms under which they would permit access to biodiversity resources and associated knowledge to different parties for various purposes from within their jurisdiction and levy charges by way of collection fees from any person for accessing or collecting any biological resource for commercial purpose from area falling within its jurisdiction. The major share of levy charged for the material collected /cultivated from private land should be given to the owner / cultivator of the land/ knowledge holder/s and the balance should be deposited in Local Biodiversity Fund of Biodiversity Management Committee. The levy charged for the material collected /cultivated from government land should be totally deposited in Local Biodiversity Fund of Biodiversity Management Committee.

The Board shall provide guidelines for terms of access and fee collection by the Biodiversity Management Committees.

The Village Council Biodiversity Management Committee will prepare a Biodiversity Management Plan using output from People’s Biodiversity Register and will be responsible for, or participate in, its implementation.

The local bodies shall ensure that the Biodiversity Management Committees are integrated with the functioning of existing local institutions, by cross-membership, regular coordination meetings, and other such measures as determined by the local bodies or as specified by the Board.

In tourism/trekking destinations, the Biodiversity Management Committee shall in consultation with the concerned Joint Forest Management Committee / Eco-development Committee pass a resolution indicating the “ecotourism code” to be observed in their tourism/trekking destination. The code should include the mechanism to ensure that the tourism remains environment friendly, prevent biopiracy, be culturally acceptable, and result in equitable sharing of the benefits. This code should ensure that the villagers get a fair and equal employment opportunity and that the trekkers and travel agents get timely and quality service.

To promptly inform the Village Biodiversity Management Committee and the Board whenever this ecotourism code is violated.

A copy of the ecotourism code duly recommended by the Biodiversity Management Committee and the concerned Joint Forest Management Committee / Eco-development Committee shall be forwarded to the concerned Village Biodiversity Management Committee for their approval. The Biodiversity Management Committee shall also be authorized to amend the ecotourism code in consultation with the concerned Joint Forest Management Committee / Eco-development Committee and forward the same to the Village Biodiversity Management Committee for approval. The Village Biodiversity Management Committee shall keep the Board informed of the ecotourism code and its amendments. The Board shall provide a copy of these to the Tourism Department and associations of tour and travel agents in the state.
24. **Local Biodiversity Fund (Section 42-46 of the Act)**

(1) At the level of local body, the local biodiversity fund shall be constituted.

(2) The Board shall provide to the local body any loan or grant received by it from State Government, Central Government or from the Authority for the purpose of the Act. The local body can also access such funds from other sources as it identifies, or as specified by the Board.

(3) The local biodiversity fund shall be operated by the Biodiversity Management Committees. The Board shall lay down the operational guidelines for operation of the fund by the Biodiversity Management Committees, including ways in which it’s functioning is transparent and accountable to all members of the relevant local body.

(4) The Biodiversity Management Committee shall maintain one bank account, for the local biodiversity fund in any nationalized bank or the Mizoram Rural Bank. The Chairperson and the Vice Chairperson of the Committee shall jointly operate this account. The withdrawal of funds shall be made only after obtaining the written approval from all the members of the Biodiversity Management Committee.

(5) At the time of implementation of any work by the Biodiversity Management Committee, before actual commencement of works, a display board shall be installed at a prominent public place within the village like Community Hall, School, etc. enumerating the following namely:
